Dear Tammy Loos,

This letter is in regards to the 12/4/13 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.
- ☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept.
Need to document tornado drills
- ☐ 110.5(8) Children's Files
- ☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.
No date on M.R.
- ☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.
J.L on incorrect form

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations by 1/23/14.**

Tammy, in your backyard, I noted some building materials and a wheel barrow in the back part of your yard. I realize the children's play area does not go back that far, but please either remove the items or store them elsewhere to eliminate the potential for hazard.

☐ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 1/23/14
